IK-TEAM

Studying in Germany

ABOUT US

Our IK-Study team consists of experts who are very familiar with the German education system. We cooperate with many graduates of German universities as well as with some language institutes and academies in order to offer you professional help.

MISSION

Our motto is "Educational equality for all!" What does that mean? We support motivated young people from all over the world and help them to get a place at the best German universities.

VISION

If someone tells you, "It's almost impossible to study in Germany! Forget about it!", don't believe it! If you plan your application properly and prepare for the application process thoroughly and in time, there is nothing impossible!

**Our goal
is
your study in
Germany**

OUR CLIENTS

Foreign students who have already obtained a Bachelor's or Master's degree in their home country as well as students with a foreign school leaving certificate. Of course, all other interested parties are also welcome!

our services in short:

We offer professional support for your application to study in Germany. In short, the application process takes about 6 months and is very complex. We help you in all of the four phases of your application. We also handle the communication with the universities and all bureaucratic matters.
We are the ones who will support you in all your study matters!

IMPORTANT:

Compared to many other counseling centers, the IK-Study team is located in Germany and cooperates with many German schools and universities
We help you directly on site!
